Program Selection: Our science educators will provide science activities on a variety of topics. Several activities are listed on our website. Interactive activities are limited to 25 students or less per group. At least one teacher must stay with each group. Most activities are 30-40 minutes. Fun science demonstrations are available for larger groups upon request. Most activities will have an additional materials charge of \$0.50 - \$2.00 per student. You can visit our list of activities on this link:
<https://www.starsandscienceaustin.com/science-activities-list>.
